PRESS RELEASE

DATE

YOUTH DEBATE ON THE FUTURE OF EUROPE

Insert number young people from across the region will gather in *insert venue, date and time* for a "Youth Debate on the Future of Europe".

The European Convention on the Future of Europe, whose mandate is to prepare our future **European Constitution**, is still in the working phase.

As it now begins to produce some first results, it is for JEF the best time to involve the citizens of Europe into this debate.

The youth debate "Europe! A Generation Ahead" organised by **JEF-*Insert your section*** (Young European Federalists), in co-operation with *insert names of partner organisations* will be a brain-storming of really important topics, including *insert topic of your debate*. The aim of the initiative is to stimulate young Europeans to express what they think and what they want for the future construction and functioning of the EU. The topic will be introduced by *insert speakers*.

This event will definitely prove that young people must have their say in Europe.

This *debate* is organised with the support of *insert sponsors and add logo below*.

Highlights include:

(insert programme)

Junge Europäische Föderalisten
Jeunes Européens Fédéralistes
Young European Federalists

Organised with the
support of the
European Union
