Dear *Mr/Ms Name of Speaker*

On behalf of *name of organisation*, I would like to invite you to our youth debate, "*insert title of your event*", at *venue* on *date and time*. This event is part of JEF's pan-European Convention project, "Europe: A generation ahead", supported by the European Union. We would be delighted if you, as *function*, would be able to attend our event.

The event aims to bring together approximately **XX** young people from a wide range of political, non-political, students and cultural youth organisations from all over the region, all of whom will be interested in the Convention on the Future of Europe. The participants will discuss the subjects tackled by the Convention, and comment on the proposals produced so far. The results of the event will be presented in an online exhibition under www.constitutional-convention.net.

JEF and the other youth organisations involved would like you to deliver a speech to the Youth Debate. Your participation would be symbolically and politically extremely important, not only in your capacity as *function*, but above all for [...] on European issues.

In our Convention activities, the Young European Federalists are working closely together with the European Youth Forum and the transnational youth political parties, in order to stimulate public debate and to bring more young people into the discussion on the future of Europe. As a youth organisation, we are taking seriously the Laeken objective of engaging the interest of young people, and we would very much appreciate your support.

I enclose a copy of the draft programme for your information. Please do not hesitate to contact me if you require any further information.

Yours sincerely,
